Attorney Docket No. 9314.0046-00

DECISION ON PETITION
TO WITHDRAW
FROM RECORD

This is a decision on the renewed Request to Withdraw as attorney or agent of record under 37 C.F.R. § 1.36(b), filed on September 28, 2009.

The request is **NOT APPROVED**.

The Request for Withdrawal as Attorney or Agent and Change of Correspondence Address submitted herein still cannot be approved since the Office no longer accepts address changes to a new practitioner or law firm filed with requests under 37 C.F.R. § 1.36(b).

Petitioner should note that the Office will only accept correspondence address changes to the most current address information provided the assignee of the entire interest who properly became of record under 37 CFR 3.71, or, if no assignee of the entire interest has properly been made of record, the most current address information provided for the first named inventor. 37 CFR 3.71(c) states:

An assignee becomes of record either in a national patent application or a reexamination proceeding by filing a statement in compliance with § 3.73(b) that is signed by a party who is authorized to act on behalf of the assignee.

All future communications from the Office will be directed to above-listed address until otherwise properly notified by the applicant or a proper change of correspondence address have been submitted.

There is an outstanding Notice of Allowance mailed October 8, 2009, that requires a reply from the applicant.

Telephone inquires concerning this decision should be directed to the undersigned at (571) 272-6059. All other inquires concerning either the examination or status of the application should be directed to the Technology Center.
